BASS/ESPN Cancels Women's Bassmaster Tournament in Toledo Bend

It is official.... BASS has cancelled the March tournament at Toledo Bend due to the drought in Texas. Though this is a huge disappointment for us it was the right decision.

We didn't have a tournament scheduled for September so they changed the location to Bull Shoals, Missouri to be held September 14th—16th. I am thrilled that our first tournament of the year will be here in Alabama, at Lake Neely Henry, April 20th-22nd, 2006. I hope to see a lot of supporters come out and cheer us on as we continue to make history. Lets show them what Alabama hospitality is all about!

Expanding my Horizons

Recently I joined two local clubs; Alabama Lady Anglers and The Birmingham Bass Club, www.birminghambassclub.net. These two clubs will add a lot of tournaments to my schedule which I am looking forward to. The members of both clubs are some of the finest anglers around and I am looking forward to not only getting to know them but learning something from them.

West Marine, Birmingham Grand Opening

Feb. 18th & 19th

I will be there, my first real appearance, helping to kick off their Grand Opening, on **Sunday February 19th** from around 9:30 am until...well until I get tired. Please come by, say hi and check out the store. The folks are real nice and of course their marine supplies and other products are hard to beat. The store is next to Toys R Us in the strip mall across from the Riverchase Galleria on Hwy 31.

January—March 2006 Tournament Schedule

Al Lady Anglers **Al. Federation**
March 5th-Lake Eufaula March 4th-Lake Eufaula

Birmingham Bass Club
Jan. 21st-Lake Jordan
Feb. 18th-Lake Guntersville
March 18th-Alabama River
